EXAMINER'S COMMENT

In view of applicant's amendment to claim 2, the objection to claim 2 indicated in the prior Office action has been withdrawn.

In view of applicant's amendment to claim 2, the rejection to claim 2 under 35 U.S.C. 112, second paragraph indicated in the prior Office action has been withdrawn.

In view of applicant's amendment filed on 24 August 2005 to claim 1 and remarks provided on page 3, sixth paragraph through page 5, second paragraph, pertaining to where the combination of Brinson and Unnold is not appropriate since the incorporation of a copper wire as disclosed by Brinson in to the elastic shoe lace of Unnold would defeat the purpose of Unnold having an elastic shoe lace is persuasive, the rejections under 35 USC §103 indicated in the prior Office action each have been withdrawn.
